

11th edition of the conference Workshop on Physics and Technology of Semiconductor Lasers

Offer of participation

We invite your company to participate in the upcoming conference on semiconductor lasers, to be held in Krakow. Become a Conference Sponsor or Exhibitor and position your brand at the heart of innovation in photonics and optoelectronics. The event offers an exceptional opportunity to engage directly with leading experts from Poland and abroad, showcase your cutting-edge solutions, and build high-value business partnerships.

18–22 October 2026
Kraków, Poland

Join us as a Sponsor or Exhibitor!

Lodz University of Technology
Institute of Physics
Photonics Group

Dear Business Partners,

we are pleased to invite your company to support our scientific conference as a sponsor.

The funds raised will enable us to reduce participation fees for PhD candidates and students, allowing as many young researchers as possible to present their work, build professional networks, and develop their scientific skills. **By supporting our conference, you are investing in the next generation of scientists.** In return, we offer attractive branding opportunities and strong visibility for your company among the event participants.

We would be delighted to present our available sponsorship packages. If required, we can also prepare a customised sponsorship proposal tailored to your expectations and possibilities.

Sponsorship Packages

Sponsorship Benefits	Package I 2 500 PLN VAT excluded	Package II 5 000 PLN VAT excluded	Package III 12 000 PLN VAT excluded
Logo on the conference website and in the Book of Abstracts	+	+	+
Possibility to include brochures or promotional gadgets in the conference materials	+	+	+
Company profile on the conference website and in the Book of Abstracts (half page)	-	+	+
Roll-up banner at the registration desk and later in the conference room	-	+	+
Display of the company's video or photo materials during coffee breaks throughout the 4 days of the conference	-	-	+
Conference participation for one person	-	-	+
Each package entitles you to participate and give a presentation in the Technology Session, as well as to present a poster during the Poster Session or to have a stand at the Company Exhibition.			

It is possible to tailor the offer to the individual needs of your company.

For more information, please contact us at: 11workshop@info.p.lodz.pl.

Science & Technology Afternoon

If sponsorship is not the most suitable form of involvement for your company, **we invite you to take part in the Technology Session preceding the Poster Session and the Company Exhibition**, serving as a natural starting point for discussions. Participation is possible both as an attendee and as a speaker within this session.

In addition, **we offer you the opportunity to participate as an exhibitor in the Company Exhibition, or to present your activities and results in the form of a poster during the Poster Session**. Both events will take place in parallel, in the same room, which increases visibility and facilitates direct discussions and networking with the participants.

When? 19 October 2026, in the afternoon

Participation Package	Cost per person in PLN (excl. VAT)	What is included
Attendance	500	Participation in the Technology Session as well as in the Company Exhibition and Poster Session
Attendance + Presentation	750	Participation and presentation in the Technology Session, as well as participation in the Company Exhibition and Poster Session
Attendance + Poster or Exhibition Stand	750	Participation in the Technology Session and either a poster presentation during the Poster Session or a stand at the Company Exhibition
Attendance + Presentation + Poster or Exhibition Stand	1200	Participation and presentation in the Technology Session, as well as either a poster presentation during the Poster Session or a stand at the Company Exhibition
The name of each company participating in the Technology Session will be included on the conference website and in the Book of Abstracts		

Additional Support Opportunities

Become a sponsor of the awards in the Young Scientists' Competition (best oral presentation and best poster). Help us recognise the most outstanding presentations and show that your company stands with young, talented researchers.

Become a sponsor of the conference dinner – this is where the most valuable relationships are formed and ideas for joint projects are born. Your brand will be present at the heart of the conversations that turn into real collaborations.

Become a sponsor of the welcome reception and greet participants in a friendly atmosphere from the very first moments of the conference. This is an ideal opportunity for initial conversations, networking, and creating a positive association with your brand.

It is possible to tailor the offer to the individual needs of your company.
