

IFE, MDS, sem. 5

Introduction

|       |    |                                                           |     |     |     |     |     |     |     |
|-------|----|-----------------------------------------------------------|-----|-----|-----|-----|-----|-----|-----|
| Weeks | 1  | Introduction                                              |     |     |     |     |     |     |     |
|       | 2  | E01                                                       | E01 | E01 | E01 | E01 | E01 | E01 | E01 |
|       | 3  | E01                                                       | E01 | E01 | E01 | E01 | E01 | E01 | E01 |
|       | 4  | E01                                                       | E01 | E01 | E01 | E01 | E01 | E01 | E01 |
|       | 5  | Preparation of the first report (questions and additions) |     |     |     |     |     |     |     |
|       | 6  | E02                                                       | E02 | E02 | E02 | E02 | E02 | E02 | E02 |
|       | 7  | E02                                                       | E02 | E02 | E02 | E02 | E02 | E02 | E02 |
|       | 8  | E03                                                       | E03 | E03 | E03 | E03 | E03 | E03 | E03 |
|       | 9  | E03                                                       | E03 | E03 | E03 | E03 | E03 | E03 | E03 |
|       | 10 | E03                                                       | E03 | E03 | E03 | E03 | E03 | E03 | E03 |
|       | 11 | E51                                                       | E51 | E51 | E51 | E52 | E52 | E52 | E52 |
|       | 12 | E52                                                       | E52 | E52 | E52 | E51 | E51 | E51 | E51 |
|       | 13 | Additional classes                                        |     |     |     |     |     |     |     |
|       | 14 | Additional classes                                        |     |     |     |     |     |     |     |
|       | 15 | Additional classes                                        |     |     |     |     |     |     |     |

Metrology (E01)

Diodes (E02)

## Transistors 1 (E03)

## Transistors 2 (E04)

## Passive filters (E05)

## Operational amplifier (E08)

## Comparators (E09)

## Optoelectronic components (E12)

Power supply (E13)

## Digital logic components (E14)

## Combinational logic NAND (E51)

## Combinational logic NOR (E52)
